

FAIRY HOUSE TOUR 2024 ENTERTAINMENT SCHEDULE

Our **20th Anniversary** event schedule will be filled with magical delights for the whole family. In addition to enchanting woodland fairy houses and musical performances by our fairy-inspired dance and theater performers, the weekend will kick-off at the Governor John Langdon House with a delightful children's parade followed by a chainsaw artist who will be creating a fairy house inspired sculpture in the Puddle Dock Restaurant parking lot.

The complete event program, along with the site map, will be distributed to each visitor at the ticket entrance gates. Performances by the listed groups are repeated throughout the weekend to ensure everyone can enjoy them all. Plus, there will be photo opportunities with Tinkerbell inside Queen Mab's Carriage and two Make It & Take It" creative stations to ensure a memorable day for attendees of all ages.
